Lane Tech Student Athlete Code of Conduct

Dear Students and Parents:

Student athletes at Lane Technical High School represent themselves, their team, and Lane Tech, whether in the school or community. Participation in Lane Tech athletics is a privilege, and athletes are expected to be role models.

Students who exhibit behavior unbecoming of an athlete will be subject to disciplinary action. Examples of unacceptable behavior include, but are not limited to, hazing, distribution/dealing illegal drugs, possession or use of drugs, vandalism, possession or use of a weapon, attending a party where alcohol/drugs are present, and any other violation of the Chicago Public Schools' Student Code of Conduct, which is enforceable both on and off campus.

Penalties for engaging in behaviors unbecoming of an athlete will be determined by the team coach, Athletic Director, Dean of Students and Principal. Penalties may range from partial to full suspension of the playing season in addition to whatever is prescribed by the CPS Student Code of Conduct.

Student athletes are reminded that they must also successfully complete the required number of service learning hours set for each grade level to remain eligible to participate in team sports. Students who do not meet the CPS service learning requirement will be deemed ineligible by their coaches to participate in team sports.
